

Got Zope 3?

CAMP FIVE

SHIFT into HIGH GEAR

THE BBQ SPRINT!

Camp 5 and the BBQ Sprint :: March 10-17

Four days of ultra-low cost Zope 3 training for Zope 2, CMF and Plone 3 product developers and integrators. Taught by **Philipp von Weitershausen**, author of *Web Component Development with Zope 3*. Followed by four optional days of Zope 3 and Plone product sprinting with several sponsored sprinters including Tres Seaver, Chris McDonough, Ian Bicking, Whit Morriss, Calvin Hendryx-Parker, Alec Mitchell, and Rob Miller. All in a brand new high-tech conference center on the campus of the University of North Carolina. Includes *Web Component Development with Zope 3* textbook, a genuine North Carolina pig pickin' BBQ roast, and a Chapel Hill indie rock festival.
